3D Systems President to Speak at March 28 Lecture

Quick Facts

- 3d Systems President/CEO Abe Reichental will speak at the M.B.A. lecture March 28.
- Reichental joined 3D two years ago after spending 22 years with Sealed Air Corp.

ROCK HILL, S.C. - The **M.B.A. Association** at Winthrop University will host the **spring M.B.A. lecture** on March 28 at 7 p.m. in **Plowden Auditorium**. The program's featured speaker is **Abe Reichental**, president and chief executive officer of 3D Systems.

Reichental joined **3D Systems** two and a half years ago, after spending 22 years with Sealed Air Corporation, a manufacturer of several types of packaging materials. Since Reichental began at **3D Systems**, he has transformed the company by building a strong management team and increasing sales and profits.

"He is a man of vision who can pull technical and business functional people together as a team," said College of Business Administration Dean Roger Weikle. "His company represents the future of manufacturing; it is a high-tech, truly global company."

3D Systems is a leader in rapid three-dimensional printing, prototyping and manufacturing solutions. The company recently relocated its headquarters and research and development facilities to Rock Hill. It is in the process of building a more than 80,000-square-foot building in the Waterford Business Park in Rock Hill.

A reception will be held prior to the lecture at 6 p.m. For more information, call 803/323-2409.
